QR Codes-

- **Create- qrcode.kaywa.com**
- **Scan Code**
 - **Scan**
 - **QR Code Reader**
- **Some ideas-Advertise school events, create interactive bulletin boards, spice up your class newsletter, a look into your classroom, introducing the school on back to school night, welcoming new students, advertise school events, create interactive bulletin boards, spice up your class newsletter, a look into your classroom, introducing the school on back to school night, welcoming new students.**

Great Resource

- **simplek12.com**

Appy Hour-

- **Share and discuss some of your favorite apps.**
- **Focus on the lesson, not the app!**
- **Find apps you need!**
